

## Who is Community Bank Inner East?

Community Bank Inner East operates four Community Bank branches in Ashburton, Balwyn, Canterbury & Surrey Hills. We are part of the Bendigo Bank Community Bank network. We're much more than just a bank, with 60% of our profits reinvested back into the local community through grants and sponsorships. Our value proposition is simple: when local people bank with us, profits are returned directly to the community—into organisations like **MEMRLTA who recently received \$3,200 in sponsorship**. This money has gone directly into helping fund uniforms. With more than \$11.2 million invested locally, the impact of our community contributions is far-reaching—enabling grassroots projects, supporting local organisations, and helping shape a stronger, more connected Inner East.

### MEET OUR NEW COMMUNITY ENGAGEMENT ADVISOR

## Kate Bellamy

Kate Bellamy is a community leader who has recently joined the Community Bank. She is passionate about inclusive community sport. Currently involved with Burwood Cricket Club, she led the Club to win the 2024 Victorian Sports Award – Best Community Club (across all codes) as well as the Cricket Victoria Community Club of the Year. She helped create innovative programs such as Walking Cricket & All Abilities Blast to allow the sport to be accessible to all, regardless of experience or ability.

Kate is passionate about what community sports offer to everyone in our community. Whether you're an active participant or passionate supporter, Kate appreciates what sport offers community members – a chance to be healthy, active and connected.

In this new role, Kate's worlds have collided and having been on the receiving end of Community Bank sponsorships as a Club volunteer, she's now engaging with Club's to help them achieve their own goals through connecting and engaging with their local community bank.

## Time for a home loan health check!

With the current cost of living, there's never been a better time to review your home loan.

We'll look at your rate, term, repayments, and equity, giving your loan a full check-up to make sure it's still right for you and your current needs.
